

LITERALLY YOURS: A Conversation with Philippe Cousteau

Friday, November 11, 2022

5:00-6:00 p.m. | V.I.P. Reception with Philippe
 6:15-7:15 p.m. | Keynote and Q & A Session
 Norman Public Library Central

The Pioneer Library System Foundation presents **Literally Yours**, a community conversation with **Philippe Cousteau** about conservation and the environment. The event is free to the public, and we anticipate up to 300 people will attend.

Inspired by the legacy of his grandfather Jacques Cousteau, Philippe is a multi-E Emmy-nominated TV host and producer as well as an author, speaker, and social entrepreneur.

Literally Yours caps off the [2022 PLS Reads initiative](#), a yearlong look at the topic of the environment. Through reading, conversation, and exploration, community members have learned how small changes can make a big impact on the world around us.
