

TOUCH A TRUCK!

Saturday, September 17, 2022

9 am-Noon (quiet hour 9-10 am) | Cleveland County Fairgrounds - Norman

Touch A Truck, a family favorite for nearly two decades, promotes play-based learning to help children learn and grow as they get an up-close, hands-on look at vehicles they might normally see from afar.

From the controls of a fire truck, to a look at how the colorful and blaring sirens of a police vehicle function, to a trip inside the Pioneer Library System’s Maker Mobile, a mobile maker space with many creative activities, children have a chance for a morning of unique learning opportunities! The event is free to the public, and approximately 2,500 have attended annually for the past few years.

Proceeds benefit children’s literacy programs in the Pioneer Library System’s Cleveland County branches in Moore, Noble, Norman, and Oklahoma City.

Sponsorship Opportunities

LEVELS	Presenting \$5,000	Big Rig \$2,500	Heavy Hauler \$1,000	Bulldozer \$500	Tractor Trailer \$250
