

TOUCH A TRUCK!

Saturday, September 23, 2023

9 am-Noon (quiet hour 9-10 am) | Cleveland County Fairgrounds - Norman

Touch A Truck, a family favorite for nearly two decades, promotes play-based learning to help children learn and grow as they get an up-close, hands-on look at vehicles they might typically see from afar. The **Pioneer Library System** and **Pioneer Library System Foundation** host this fun event. Touch A Truck brings kids together with the trucks they love and those who make them run, including cranes, helicopters, fire engines, garbage trucks, mobile banks, bucket trucks, construction vehicles, mobile weather units, and more. Children and their caregivers can also explore the Pioneer Library System's Mobile Maker Space and learn about programming and resources available at their local library. The event is free to the public, and approximately 2,500 have attended annually for the past few years.

Touch A Truck wouldn't be possible without the support of generous community partners like you. Please consider joining us as a sponsor of this fun and educational family-friendly event. Proceeds benefit Children's Literacy and STEAM programming in Pioneer's six Cleveland County branches in Moore, Noble, East Norman, Central Norman, West Norman, and Southwest Oklahoma City.
