

TOUCH A TRUCK!

September 26, 2026

9 am-Noon (quiet hour 9-10 am) | Cleveland County Fairgrounds - Norman

Touch A Truck, an engaging event hosted by the **Pioneer Library System** and the **Pioneer Library System Foundation** for two decades provides children with a unique hands-on experience with a wide variety of large vehicles they typically see from afar, such as cranes, bucket trucks, and fire engines.

This free, family-friendly event plays a vital role in supporting children's literacy and STEAM programming in PLS's Cleveland County branches in **Moore, Noble, Norman, and SW Oklahoma City**. Through interactive experiences with the vehicles and the PLS Mobile Maker Lab, it fosters play-based learning and introduces attendees to the library's valuable resources and programs.

Attracting approximately 2,500 visitors annually, Touch A Truck relies on the support of community partners to help cultivate educational opportunities for kids. **Please consider sponsoring this fun event!**
